3 gram that would have been estimated as affecting direct  
4 spending or receipts under section 252 of the Balanced  
5 Budget and Emergency Deficit Control Act of 1985 (as  
6 in effect prior to September 30, 2002) were they included  
7 in legislation other than appropriations legislation. A point  
8 of order pursuant to this section shall be raised against  
9 such provision or provisions as described in subsections  
10 (d) and (e).

11 (b) DETERMINATION.—The determination of whether  
12 a provision is subject to a point of order pursuant to this  
13 section shall be made by the Committee on the Budget  
14 of the Senate.

15 (c) SUPERMAJORITY WAIVER AND APPEAL.—This  
16 section may be waived or suspended in the Senate only  
17 by an affirmative vote of three-fifths of the Members, duly  
18 chosen and sworn. An affirmative vote of three-fifths of  
19 the Members of the Senate, duly chosen and sworn, shall  
20 be required to sustain an appeal of the ruling of the Chair  
21 on a point of order raised under this section.

22 (d) GENERAL POINT OF ORDER.—It shall be in order  
23 for a Senator to raise a single point of order that several  
24 provisions of a bill, resolution, amendment, motion, or con-  
25 ference report violate this section. The Presiding Officer

1 may sustain the point of order as to some or all of the  
2 provisions against which the Senator raised the point of  
3 order. If the Presiding Officer so sustains the point of  
4 order as to some of the provisions (including provisions  
5 of an amendment, motion, or conference report) against  
6 which the Senator raised the point of order, then only  
7 those provisions (including provision of an amendment,  
8 motion, or conference report) against which the Presiding  
9 Officer sustains the point of order shall be deemed strick-  
10 en pursuant to this section. Before the Presiding Officer  
11 rules on such a point of order, any Senator may move to  
12 waive such a point of order as it applies to some or all  
13 of the provisions against which the point of order was  
14 raised. Such a motion to waive is amendable in accordance  
15 with rules and precedents of the Senate. After the Pre-  
16 siding Officer rules on such a point of order, any Senator  
17 may appeal the ruling of the Presiding Officer on such  
18 a point of order as it applies to some or all of the provi-  
19 sions on which the Presiding Officer ruled.

20 (e) FORM OF THE POINT OF ORDER.—When the  
21 Senate is considering a conference report on, or an amend-  
22 ment between the Houses in relation to, a bill, upon a  
23 point of order being made by any Senator pursuant to this  
24 section, and such point of order being sustained, such ma-  
25 terial contained in such conference report or amendment

1 shall be deemed stricken, and the Senate shall proceed to  
2 consider the question of whether the Senate shall recede  
3 from its amendment and concur with a further amend-  
4 ment, or concur in the House amendment with a further  
5 amendment, as the case may be, which further amendment  
6 shall consist of only that portion of the conference report  
7 or House amendment, as the case may be, not so stricken.  
8 Any such motion shall be debatable. In any case in which  
9 such point of order is sustained against a conference re-  
10 port (or Senate amendment derived from such conference  
11 report by operation of this subsection), no further amend-  
12 ment shall be in order.
