11. Amendments to section 308 of the Congressional Budget Act

HOUSE BILL (SECTION 11109)

The House bill includes a technical change eliminating a reference to credit authority in legislation for which committees must include a statement essentially justifying changes in revenue or direct spending. It also clarifies that such statements are to be provided for joint resolutions rather than simple (one-House) resolutions.

SENATE AMENDMENT (SECTION 1608)

The Senate amendment is essentially identical to the House bill.

CONFERENCE AGREEMENT (SECTION 10110)

The Conference agreement reflects the House bill with modifications to make additional technical and conforming changes regarding section 308.
