

111TH CONGRESS
1ST SESSION

H. R. 2142

To require the review of Government programs at least once every 5 years for purposes of assessing their performance and improving their operations, and to establish the Performance Improvement Council.

IN THE HOUSE OF REPRESENTATIVES

APRIL 28, 2009

Mr. CUELLAR (for himself and Mr. MOORE of Kansas) introduced the following bill; which was referred to the Committee on Oversight and Government Reform

A BILL

To require the review of Government programs at least once every 5 years for purposes of assessing their performance and improving their operations, and to establish the Performance Improvement Council.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Government Effi-
5 ciency, Effectiveness, and Performance Improvement Act
6 of 2009”.

7 **SEC. 2. DEFINITIONS.**

8 In this Act:

1 (1) AGENCY.—The term “agency” means—

2 (A) an executive agency as defined in sec-
3 tion 105 of title 5, United States Code, other
4 than the Government Accountability Office; and

5 (B) the United States Postal Service and
6 the Postal Regulatory Commission.

7 (2) AGENCY PERFORMANCE IMPROVEMENT OF-
8 FICER.—The term “agency performance improve-
9 ment officer” means an employee of an agency who
10 is a member of the Senior Executive Service or
11 equivalent service, and who is designated by the
12 head of the agency to carry out the duties set forth
13 in section 5 of this Act.

14 **SEC. 3. FINDINGS AND PURPOSES.**

15 (a) FINDINGS.—Congress finds the following:

16 (1) A lack of efficiency, effectiveness, and ac-
17 countability in some Federal programs undermines
18 the confidence of the American people in the Gov-
19 ernment and reduces the Federal Government’s abil-
20 ity to adequately address public needs.

21 (2) To restore the confidence of the American
22 people in its Government and to increase the Fed-
23 eral Government’s ability to adequately address vital
24 public needs, the Federal Government must contin-

1 ually seek to improve the efficiency, effectiveness,
2 and accountability of Federal programs.

3 (3) With the passage of the Government Per-
4 formance and Results Act of 1993, Congress di-
5 rected the executive branch to seek improvements in
6 the performance and accountability of Federal pro-
7 grams by having agencies focus on strategic objec-
8 tives and annual program results.

9 (4) The requirements of the Government Per-
10 formance and Results Act have produced an infra-
11 structure of outcome oriented strategic plans, per-
12 formance measures, and accountability reporting
13 that serve as a solid foundation for agencies working
14 with Congress to achieve long-term strategic goals
15 and improve the performance of Federal programs.

16 (5) Congressional policy making, spending deci-
17 sions, and program oversight have been handicapped
18 by insufficient attention to program performance
19 and results.

20 (6) While improvements have been made in the
21 development of outcome-oriented strategic plans,
22 performance measures, and accountability reporting
23 for individual programs, progress is still needed to
24 ensure that programs are periodically evaluated in a
25 systematic, consistent, and transparent manner, and

1 that performance information is used to inform con-
2 gressional decisionmaking in conducting program
3 authorization, appropriation, and oversight.

4 (7) Periodic performance assessments of Fed-
5 eral programs provide critical information on wheth-
6 er a program is achieving its performance objectives
7 and help Congress and the executive branch identify
8 the most pressing policy and program issues and de-
9 termine if specific operational, financial, or strategic
10 reforms are needed to increase a program's effi-
11 ciency and effectiveness.

12 (8) Programs performing similar or duplicative
13 functions that exist within a single agency or across
14 multiple agencies should be identified and their per-
15 formance and results shared among all such pro-
16 grams to improve their performance and results.

17 (b) PURPOSES.—The purposes of this Act are as fol-
18 lows:

19 (1) To improve the Government Performance
20 and Results Act of 1993 by implementing a program
21 assessment process that seeks to assess each Federal
22 program on a periodic basis with a particular focus
23 on the following:

24 (A) The clarity of purpose and objectives
25 of the program.

1 (B) The quality of the program design.

2 (C) The quality of strategic and perform-
3 ance planning and goals for the program.

4 (D) The quality of the management and
5 organizational design of the program.

6 (E) The effectiveness of the program in
7 reaching its stated objectives.

8 (2) To utilize the information gathered during
9 the assessment process to help agencies make in-
10 formed management decisions, improve the effective-
11 ness of agency and program operations (particularly
12 for those programs that are deemed poorly per-
13 forming), and submit evidence-based funding re-
14 quests.

15 (3) To provide congressional policy makers with
16 information needed to conduct more effective over-
17 sight and assist in the improvement of agency oper-
18 ations, and to make performance-informed and re-
19 sults-based authorization and appropriation deci-
20 sions that improve the effectiveness of program op-
21 erations.

22 (4) To establish the Performance Improvement
23 Council as a body that will assist in the development
24 of performance standards and evaluation methodolo-
25 gies, identify best practices in Federal performance

1 management practices and facilitate the exchange of
2 information among agencies on these practices, and
3 coordinate and monitor performance assessment ef-
4 forts.

5 (5) To establish agency performance improve-
6 ment officers to supervise the performance manage-
7 ment activities of Federal agencies.

8 **SEC. 4. SENSE OF CONGRESS REGARDING THE NEED FOR**
9 **INCREASED CONSULTATION BETWEEN CON-**
10 **GRESS AND FEDERAL AGENCIES ON PER-**
11 **FORMANCE MANAGEMENT ISSUES.**

12 It is the sense of Congress that the head of each Fed-
13 eral agency should make every effort to consult with the
14 committees with jurisdiction over the agency and other in-
15 terested members of Congress each fiscal year regarding
16 the performance plan of the agency (required by section
17 1115 of title 31, United States Code).

18 **SEC. 5. PROGRAM ASSESSMENT.**

19 (a) REQUIREMENT FOR PROGRAM ASSESSMENTS.—
